GLOBAL CONFIDENTIALITY AGREEMENT

This Agreement

This agreement has been prepared to allow the inventor(s) named and signed below to disclose their idea to us at Patent Protect in view of us being able to make an assessment of its prospects for possible protection and/or marketing.

All information supplied by the below named and signed inventor(s) shall remain with us within the strictest confidentiality and will not be shared or disclosed with a third party at any time unless permission is given by the inventor(s) as part of our ongoing service afterwards. The inventor(s) shall remain owners of all disclosed material at all times.

This non-disclosure includes any associates, companies or any third parties that we have contact with or any assistants or employees of Patent Protect for a perpetual period.

We also agree not to present any information regarding to working models or prototype examples of the working idea that may be provided, to any third party at any time.

We confirm that on the below date, information has been disclosed to us at Patent Protect by the below signed inventor(s).

Should the inventor(s) decide not to pursue any services with us from this date, we agree not to disclose or proceed in any way with the content of their disclosure and their information shall not be made available to a third party at any time for a perpetual period.
